Back to School GLOW UP

2 Vials Sculptra **PLUS**
2 Platinum **hydracial**
\$2100 (Save \$400)

Sculptra is our AMAZING stimulatory injectable designed to activate your skin's natural power to revitalize collagen production for a more youthful appearance.

The Platinum HydraFacial is the ultimate HydraFacial. It starts with a detoxification process; lymphatic drainage.

It also includes a special serum personally chosen to address your specific skin concerns. Lastly, it's finished off by LED light therapy to help banish the signs of aging.
